

UPDATED Q QUESTION SHEET IN CHRONOLOGICAL ORDER	
OCTOBER 31st	
What is 'State Secrets' and how upheld in the SC?	State secret privilege makes it so the president can refuse to present evidence if it's secret information that would harm national security or foreign relation interests. After 9/11 Bush expanded ssp so that evidence could be withheld and cases dismissed in U.S. courts.
What must be completed to engage MI over other (3) letter agencies?	
What must occur to allow for civilian trials?	Military law can be applied to civilians, but only in special circumstances. If a nation declares "martial law," military authority replaces civilian authority. Under martial law, the military operates the police, courts, and legislature instead of the civilian government.
Why is this relevant?	If Trump declares martial law (i.e., under the pretext of Antifa problems), it will be to circumvent the corrupt judicial system.
What was Flynn's background?	According to Wiki: Michael Thomas Flynn (born December 1958) is a retired United States Army Lieutenant General, who served in the Army for 33 years until 2014. Flynn's military career included a key role in shaping U.S. counterterrorism strategy and dismantling insurgent networks in Afghanistan and Iraq, and he was given numerous combat arms, conventional, and special operations senior intelligence assignments. He was appointed by President Barack Obama as the eighteenth director of the Defense Intelligence Agency, serving from July 2012 to his retirement from the military in August 2014. After leaving the military, he established Flynn Intel Group which has provided intelligence services for businesses and governments, including ones in Turkey.
Why is this relevant?	
Why did Adm R (NSA) meet Trump privately w/o auth?	Wiretapping. Rogers didn't want to participate in Obama admin's spying scheme and wanted make his loyalty known
Does POTUS know where the bodies are buried?	
Does POTUS have the goods on most bad actors?	
Was TRUMP asked to run for President?	According to Alex Jones, break away Patriot groups within Special Forces and IC recruited both Trump and himself. source h/t u/MassSpies
Why?	According to Steve Piecznik, patriots within the military community asked Trump to run; he called it a "counter-coup."
By Who?	According to Steve Piecznik, patriots within the military community asked Trump to run; he called it a "counter-coup."
Was HRC next in line?	Probably. Gore was ousted by Bush JR and HRC was ousted by BO.

Was the election suppose to be rigged?	Yes. Voting machines were flipping votes; states such as Georgia were reporting computer attacks; dead people were voting; dems were voting multiple times, etc. TPTB wanted Trump to run as a Pied Piper, thinking he could be propped up in the primary and tanked in the general
Did good people prevent the rigging?	Probably
Why did POTUS form a panel to investigate?	He knows the dems cheat
Has POTUS *ever* made a statement that did not become proven as true/fact?	TECHNICALLY yes (he calls these truthful hyperboles in his book) but I would say for important things or promises he's made, no
What is POTUS in control of?	Millitary
What is the one organization left that isn't corrupt?	DoD or Military?
Why does the military play such a vital role?	It's the one organization left that isn't corrupt, and it is powerful and controlled by Trump. Military tribunals. They can bypass the corrupt judges, prosecutors & juries (who can be bought or are zombie leftists) h/t u/QuantumSquad
Why is POTUS surrounded by highly respected generals?	Having the military on your side prevents the possibility of a coup and gives power over the other 3 letter organizations. h/t u/nakedjay
Who guards former Presidents?	SS
Why is that relevant?	They are all connected to the swamp. h/t u/nakedjay
Who guards HRC?	SS
Why is ANTIFA allowed to operate?	Trump could use them to declare Martial Law?
Why hasn't the MB been classified as a terrorist org?	Ted Cruz tried to in 2015 but the bill didn't pass. Michele Bachman tried to in 2012 but it didn't work because she claimed Huma was MB. Huma was defended by Pelosi, Ellison, and McCain. Trump could use them to declare martial law?
What happens if Soros funded operations get violent and engage in domestic terrorism?	They can classified as domestic terrorist group
What happens if mayors/ police comms/chiefs do not enforce the law?	Send in the National Guard
What authority does POTUS have specifically over the Marines?	Can't prove it but I think he can order the Marines without Congressional approval or something like that.
Why is this important?	because its the Marine Corps responsibility to to protect the president and Us dignitaries abroad . and technically the Marine corps doesn't really protect the president in a direct fashion that is up to the secret service security detail. the Marine Corps does however have the sole responsibility of transporting the president by helicopter to air force one or camp david or anywhere else he may need to go within reach of Marine 1 source. If answer to #31 is correct, Trump can send in Marines without asking Congress.
What is Mueller's background? Military?	According to wiki, served in Marines from 1968-1971

Was Trump asked to run for President w/ assurances made to prevent tampering?	
How is POTUS always 5-steps ahead?	Excellent intel

Why does Obama travel in advance of POTUS to foreign locations?	(SPECULATION) To cover his tracks; he's being sent by his handlers to personally remind foreign entities what they should be doing and what will happen if they don't
Why is this relevant?	
Focus on the power of POTUS as it relates to the Marines.	-----
How can MI be applied to prosecute bad actors and avoid corrupt agencies and judges?	
NOVEMBER 1st	
Why did Mueller meet POTUS 1-day prior to FBI announcement if Mueller COULD NOT be offered director due to prev term limits rule?	THEORY: Pres. Trump was interviewing Mueller to be his special prosecutor as he promised on the campaign trail.
Why is Pelosi begging for a new special counsel?	She finally realized that she is in deep shit because Mueller isn't "their guy". h/t u/nakedjay
What is Pelosi's net worth?	\$120M
How was this obtained given salary as career official?	Bribes
Why is Pelosi's memory going?	A trick used to hope that they won't prosecute her or use it as a defense. h/t u/nakedjay
Could it protect against prosecution?	Though not typically a defense by itself, amnesia is a factor courts can consider when determining whether someone is competent to stand trial
What is the Mayo Clinic?	According to wiki, The Mayo Clinic is a nonprofit medical practice and medical research group based in Rochester, Minnesota. It employs more than 4,500 physicians and scientists and 57,100 allied health staff. The practice specializes in treating difficult cases through tertiary care. It spends over \$660 million a year on research. However, some speculate it may participate in organ harvesting. source h/t u/QuantumSquad
Who sits on the BOD there?	Barbara Bush, Dick Cheney, Cokie Roberts, Eric Schmidt, Walter Mondale, Ursula Burns (direct Obama connection), Alan Mulally (direct Obama connection)
What if John M's surgery was fake?	If fake, he's setting himself up to avoid prosecution and/or testifying anywhere.
Why would this occur?	John M's surgery would be faked so he could claim "brain cancer" when the heat turns up and he's called to task. Brain cancer shields him from scrutiny (much like Pelosi is trying to do with her feigned (?) memory lapses).
What could this prevent potentially?	Prosecution
Why do D's want to control the black pop?	Keep them voting D

Why do they intentionally keep poor and in need?	Keep them voting D
Why do D's project racism on a daily basis against R's?	Keep them voting D
Why do black elected officials do the crazy talk on behalf of D's?	So it's not a white D telling blacks how to vote. h/t u/nakedjay
How do D's cover the historical facts of forming the confederacy, KKK, and oppose all things pro black re: legislation?	They tell the lie that the parties switched.
What happens if D's lose the slave grip on the black pop?	D's lose power forever
Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets?	Another method of propaganda that gives them easy access to a large portion of the population. h/t u/nakedjay
Does this fall within Operation Mockingbird?	Yes
What were the historical advantages D's gained by having MSM and famous people peddling narrative?	Control of propaganda and the narrative.
Who exposed the pedo network within H wood?	Corey Feldman, though he did not name names until recently.
Who did POTUS meet with yesterday?	Sessions, Mike Pence, Rex Tillerson, James Mattis. President Trump's schedule for 10/30/17 11:00 AM Receive daily intelligence briefing – Oval Office 11:30 AM Meet with Secretary of State Rex Tillerson – Oval Office 12:30 PM Lunch with Vice President Mike Pence and Attorney General Jeff Sessions Private Dining Room 3:30 PM Meet with Secretary of Defense James Mat
Was AG Sessions there?	Yes
How many MI generals were on the WH list to attend a separate meeting?	
Could those meetings have been combined?	
Why were certain rooms in the WH renovated? Clear bugs and tracking devices.	Because numerous leaks came out of Trump's meetings in the WH starting after inauguraion, and phone calls were leaked too. Trump spent much of August, while the Senate was in almost-recess (not officially declared unfortunately) out of the WH, operating from Bedminster and Trump Tower (after security work was done there) while he was out of the WH.
Where was the meeting on Monday?	
Why aren't phones allowed in this room (one of many).	CIA can turn microphones on the phones to listen in. Source: Wikileaks
What firm was contracted to conduct the renovations?	General Service Administration source h/t u/nakedjay
Who controls the NG?	Normally the states; the state governors

<p>Why was the NG recently activated in select cities within the US?</p>	<p>The Posse Comitatus Act (PCA) prevents Army & Air Force troops from enforcing law & maintaining public order. The PCA does not technically apply to the Navy, but there are other regulations that accomplish pretty much the same thing, so the Navy can't do it either. NG troops ARE allowed to enforce laws and maintain public order. These are state troops (Title 32) so they are exempt from the Posse Comitatus Act. The President cannot call NG troops into service without Congressional approval. State governors can, so they did. Once in service, the President can take command of a state's NG, or federalize them, without Congressional approval. tl;dr: It's a loophole that puts military troops (NG), exempt from the PCA (so they can enforce laws and maintain order) under the President's direct command, without Congressional approval. source source source</p>
<p>Can the NG work in coordination w/ the marines?</p>	<p>Yes</p>
<p>Do conditions need to be satisfied to authorize?</p>	<p>The NG is mainly activated by the states, the POTUS needs congressional approval to activate the NG. NOW IF THE STATES ACTIVATE THEM, HE CAN TAKE CONTROL OF THEM. This would allow the Marines and the NG to work together under one set of orders. This is shown in the Posse Comitatus Act where by the POTUS can take control. This leads to the next question</p>
<p>What former President used the military to save the republic and what occurred exactly?</p>	<p>Bush Jr. It wasn't that he did it per say, but the threat and amount of deliberation lead the majority of the people leading the discussion to say HE COULD HAVE DONE IT AND NOT WORRIED ABOUT REPARATIONS. http://www.nytimes.com/2009/07/25/us/25detain.html https://septembereleven2001.wordpress.com/2009/07/25/president-bush-considered-using-military-to-arrest-alleged-al-qaeda-cell-in-buffalo-ny/</p>
<p>Note MI has the same SAPs as NSA, CIA etc as designated post 9-11. Why is this relevant?</p>	
<p>Who can be held hostage and controlled?</p>	
<p>CIA thinks its foreign offshore assets are strong enough to defend against the US executive (not accounting for military use on domestic soil).</p>	
<p>Why does the Constitution explicitly grant this authority to the President and what is it to prevent?</p>	
<p>Some things must remain classified to the very end. NK is not being run by Kim, he's an actor in the play. Who is the director? The truth would sound so outrageous most Americans would riot, revolt, reject, etc.</p>	<p>Thinking NK is Fantasy Land; literally made up, Wag the Dog (movie) style.</p>

Would you believe a device was placed somewhere in the WH that could actually cause harm to anyone in the room and would in essence be undetected?	Yes.
When was it reported Trump Jr dropped his SS detail?	The NYT and other outlets reported this on 9/18/17
Why would he take that huge risk given what we know?	Because the SS detail was corrupt in some way(?)
NOVEMBER 2nd

Why did his administration do little to slow their nuclear and missile capabilities?	Because they wanted them to be nuclear capable.
What deal was done with Iran under BO?	Iran Nuclear Deal. Scientist, Tech and Cash Payout
Why was the deal sealed under top secret classification?	Because they didn't want it getting out.
Why wasn't Congress notified?	They wanted it kept from the public
Why after all BO left office, all of a sudden NK has nukes and the tech to miniaturize for payload delivery within the U.S.?	Because it was given to them by the Obama administration via the Iran deal. He was paying off HRC debts she couldn't pay without being president
What about NSA, CIA, DI etc all confirming tech won't be in place for 5+ years (statements in 2016)	The Intel Community was either Lying or wrong. If they were lying, they knew that NK would be armed and capable well before then. If they were wrong, they would still be committing treason via the deal itself
Why is all of this relevant and what does it tell you?	That the Obama administration, along with the Intelligence community, armed an aggressive, rogue state with WMD's making it capable of hitting North America, NATO nations and East Asian allies.
4,10,20	DJT Donald J Trump ... I think this was debunked. Something about a Caesar cyphon? Q mentioned it I believe. In the 92/93 ish thread.

What book was BO caught reading?	The Post-American World by Fareed Zakaria
Why was this immediately disregarded as false?	

<p>What is 'Post-American World by Fareed Zakaria'?</p>	<p>In the book, Zakaria argues that, thanks to the actions of the United States in spreading liberal democracy across the world, other countries are now competing with the US in terms of economic, industrial, and cultural power. The first chapter introduces the thesis of the book: that a 'post-American' world order is emerging in which the United States will continue to be the most powerful nation but its relative power will be diminished. He believes that there have been three power shifts in the last 500 years: a shift of power to the West during the Renaissance, a shift of power to the US making it a superpower, and now a shift to several surging countries, especially China and India, and to non-governmental organizations. Zakaria believes that international organizations are not adapting well to emerging challenges and that there is too much focus on problems arising from potential market failures or general crises (e.g. terrorism) at the expense of focus on problems stemming from success (e.g. development causing environmental degradation, or rising demand creating high commodity prices). (WIKIPEDIA)</p>
<p>Why is this relevant?</p>	
<p>Why would the President of the UNITED STATES OF AMERICA be reading this book?</p>	
<p>What church did BO attend as pre-POTUS?</p>	<p>Trinity United Church of Christ. The church's early history coincided with the American civil rights movement, subsequent murder of Martin Luther King Jr., and the tumultuous period that engulfed the civil rights movement after King's death due to intense competition among actors over who would carry King's mantle. During that tumultuous period, an influx of radical black Muslim groups had begun to headquarter in Chicago, and Trinity sought to recontextualize Christianity through black theology in order to counter the influence of radical black Muslim leaders, who taught that it was impossible to be both black and Christian. (WIKIPEDIA) Sen. Barack Obama's pastor says blacks should not sing "God Bless America" but "God damn America." The Rev. Jeremiah Wright, Obama's pastor for the last 20 years at the Trinity United Church of Christ on Chicago's south side, has a long history of what even Obama's campaign aides concede is "inflammatory rhetoric," including the assertion that the United States brought on the 9/11 attacks with its own "terrorism."(ABC NEWS)</p>

Who funds ISIS?	The Bank for International Settlements (BIS) in Basel, Switzerland is the financial backbone of the CIA in Switzerland which secretly funds its black operations around the world, ISIS included. In short, the BIS funds 60 central banks which are collectively responsible for 95% of the world's GDP, making it the sole progenitor of the world's fiat money supply. One of these central banks is the Federal Reserve Bank of the United States which funds the U.S. government. Consequently, monies allocated by the Obama administration for the Syrian Rebels (i.e., ISIS) are directly wired to the Federal Reserve from the BIS in Switzerland. The Obama administration publically funds the Syrian Rebels (i.e., ISIS) via the U.S. Congress so that in the aftermath of an ISIS-spawned biological pandemic which culls hundreds of millions of people, the United States will take the blame for what the CIA in Switzerland is ultimately responsible for. https://truthernews.wordpress.com/2015/05/25/isis-endgame-how-and-why-the-cia-in-switzerland-created-isis-as-cover-for-nuclear-and-biological-terror-attacks/
